OFFICE OF LEGISLATIVE COUNSEL

Thursday - 2 December 1971

1. (Confidential - GLC) Mrs. Frances Funk, Senate Armed Services Committee staff, called in connection with the followup material we provided the staff in response to a question raised by Senator Symington during DOD testimony before the Committee on the Okinawan Reversion Treaty. Mrs. Funk said DOD had been asked by the Committee to make a security review of this classified testimony in order to sanitize it for publication. She asked if we were participating in that review. I told her that as far as I knew we were not and that a query through Agency channels to DOD had not confirmed that DOD was in fact conducting such a review of the testimony. We agreed to double check on this and be back in touch on it.

2. (Confidential - GLC) Talked with Sam Goldberg, on the staff of Senator Charles McC. Mathias (R., Md.), and told him we very much appreciated the Senator's statement on the floor of the Senate in opposition to Senator Symington's amendment to the Defense Appropriations bill to establish a \$4 billion ceiling on intelligence expenditures.

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 1 December 1971

1. (Confidential - JMM) Received a call from Mr. Ed Braswell, Chief Counsel, Senate Armed Services Committee, who asked if we knew anything of plans for General Cushman's replacement. I said we did not. See Memo for Record.

2. (Unclassified - JMM) Met with Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and went over some material we had pulled together in response to Slatinshek's request for help in preparing an unclassified talk Representative O. C. Fisher plans to give to some of his constituents regarding CIA. Slatinshek said the material seemed satisfactory and suggested I explain it personally to Representative Fisher.

3. (Confidential - JMM) Met with Russ Blandford, Chief Counsel, House Armed Services Committee, who was interested in General Cushman's replacement. I told him I had no information on the subject.

4. (Unclassified - JMM) Met with Representative O. C. Fisher and reviewed with him material on which he might draw in preparation of a speech on CIA before some of his constituents. I gave Mr. Fisher a copy of the Director's 14 April 1971 speech before the American Society of Newspaper Editors; Admiral Raborn's interview in U.S. News and World Report; the pamphlet on CIA; a collection of comments by various Presidents on intelligence; and a copy of an unclassified talk I had given to student groups, congressional interns, etc. Mr. Fisher seemed satisfied but said he would let me know if he wanted anything further.
